Local Rehabilitation Center Reaches Beyond County Borders

Broad Mountain Nursing and Rehabilitation Center has announced the launch of their new website, www.bmnrc.com. The new site, designed and hosted by Schuyl, Inc. of Pottsville, PA, focuses on making information available about the center, its services and care, 24 hours a day. Hoping to reach beyond the county or even local regional borders, Broad Mountain Nursing and Rehabilitation Center's website gives the visitor the opportunity to download pamphlets at any time about the services it provides.

"We hope to reach the families that are in New Jersey, Maryland, New York or even Virginia and beyond, who's loved one is from this area and is need of medical care for their them, that exceeds the normal hospital stay. The website will help out tremendously in reaching those family members that are beyond a day's drive and work during the day, who want their loved one to remain in Schuylkill County." Annette Dennison, Broad Mountain's Director of Admissions & Marketing, explained about the goals for the new website.

Along with being able to access information about Broad Mountain's care and services, the center aims at giving the visitor the full view of life at Broad Mountain. The site features various pictures of patients, their various therapy programs, rooms and their summertime patio. Visitors can also fill out a pre-admission form to start the process of admission too the center. "We are trying to make what can seem like a very difficult decision, a little easier for the families, this website can help us in attaining that goal." Dennison related.
