The site, designed and maintained by Schuyl, Inc. of Pottsville, features information and pictures of the downtown store.

The site includes pictures of Marguerite's Antique's interior as well as some items currently on display, clicking on the pictures, enlarges the view for visitors interested in getting a closer look. Marguerite's also features exclusive candles and vintage Victorian line products on its site, as well.

For visitors who are interested in finding out about certain antique items and their availability, Marguerite's site includes a website contact form where visitors can fill out and send their requests to the storeowners.
